MULLED CIDER AND MULLED APPLE JUICE

RED PEPPERCORN AND HIBISCUS MULLING PYRAMIDS

- Charrington's Mulling Spices are a unique twist on traditional blends. Red peppercorns give cosy warmth, while hibiscus turns it a beautiful crimson.
- A lovely winter warmer with seasonal flavours and enticing aromas. It's a hug in a mug on cold days and perfect anytime from Halloween to Valentine's Day, especially during the Christmas festive period.
- Our mulling spices have been specially blended to complement our delicious still cider, with its baked apple notes. **Mulled Earl's Reserve cider was awarded 1* by Great Taste.**
- The pyramids can also be used to mull any of our apple juices for an equally great tasting non-alcoholic version. **Our mulled Captivating Cox apple juice was crowned Best Hot Drink at the Quality Food and Drink Awards.**
- To mull, simply heat the cider or apple juice, pop in a Charrington's Mulling Spices pyramid (one per cup or per 250ml in a pan or urn) and mull until desired strength of flavour is reached.

**AVAILABLE IN - RETAIL PACKS - 12 PYRAMIDS
CATERING PACKS - 80 PYRAMIDS**
